

Inregistrarea utilizatorilor in baza de date

Toți utilizatorii platformei de e-learning (profesori, creatori de cursuri, studenți) trebuie mai întâi să fie înscrși în baza de date a platformei (trebuie să creeze un cont)

Acest lucru se poate face în două moduri:

1. Studentii pot crea un cont propriu, sau
2. Un cont poate fi creat de o persoană autorizată (înscriere manuală)

1. Pentru a crea un cont (auto-înscrisere), vizitatorii site-ului trebuie să facă următoarele:

In pagina principala, click on "Log In"

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrolment key", which you won't need until later. Here are the steps:

1. Fill out the [New Account](#) form with your details.
2. An email will be immediately sent to your email address.
3. Read your email, and click on the web link it contains.
4. Your account will be confirmed and you will be logged in.
5. Now, select the course you want to participate in.
6. If you are prompted for an "enrolment key" - use the one that your teacher has given you. This will "enrol" you in the course.
7. You can now access the full course. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.
